(*) the proposed project shall refer to the existing approved/proposed JCM methodologies

(**) 30% of the grant will be disbursed upon confirmation of the evidence of the publication on the official JCM website of the proposed JCM methodology which shall be submitted as part of the final report

Evaluation Process

- All grant proposals received on time shall be examined and evaluated strictly in accordance with the criteria and methodology described in the CfPs, through the following steps:

a) Preliminary examination (= review of qualification requirements/criteria)

b) Technical and financial evaluation, and Ranking the proposals

c) The “No objection” process for the Project Idea Note (PIN)

under the JC b/w Japan and the African JCM Partner country

- After evaluation of proposals within UNIDO, the selected applicant's PIN will be submitted to the JC in line with the JCM rules.
- Upon receiving a “No objection” from the JC, the respective proposal will be chosen for grant award.
- It is crucial that stakeholders in host countries are identified and consulted with positive response given in advance especially from the relevant JC member(s) of the host country, so that the proposal will be smoothly implemented under JCM procedure such as Project Idea Note.
