

11 December 2020

Indonesia-Japan Environmental Week (January 2021)

Ministry of Environment and Forestry, Indonesia (KLHK) and Ministry of the Environment, Japan (MOEJ) will jointly organize an online event “**The Indonesia-Japan Environmental Week**” on 13th -15th January 2021. Attracting key speakers and participants from both private and public sectors of Indonesia and Japan, the Indonesia-Japan Environmental Week aims at providing opportunities to discuss environmental issues and share **innovative and emerging environmental solutions** to be applied in Indonesia. This event includes closed Bilateral Environmental Dialogue, **Online Seminars (webinars)** of various topics, as well as an **Online Business Match and Virtual Exhibition**.

1. Event Overview

Date : 12 January 2021 – 29 January 2021

Co-organizers : Ministry of Environment and Forestry, Republic of Indonesia (KLHK)
Ministry of the Environment, Japan (MOEJ)

Event Tool : Online Event Platform (Zoom and EventHub)

2. Program (Tentative)

Online Business Match / Virtual Exhibition (12 - 29 January 2021) (TBC)

During the online virtual exhibition and business match period, exhibitors will be able to disseminate their environment-related technologies and solutions information to the event participants via designated exhibitor’s webpage in the EventHub by videos, PDF materials, web links, etc. Also exhibitors and participants will be able to communicate via message tool of the EventHub.
