The 2<sup>nd</sup> Philippines-Japan Environment Week (2025, Manila)

# Providing Information

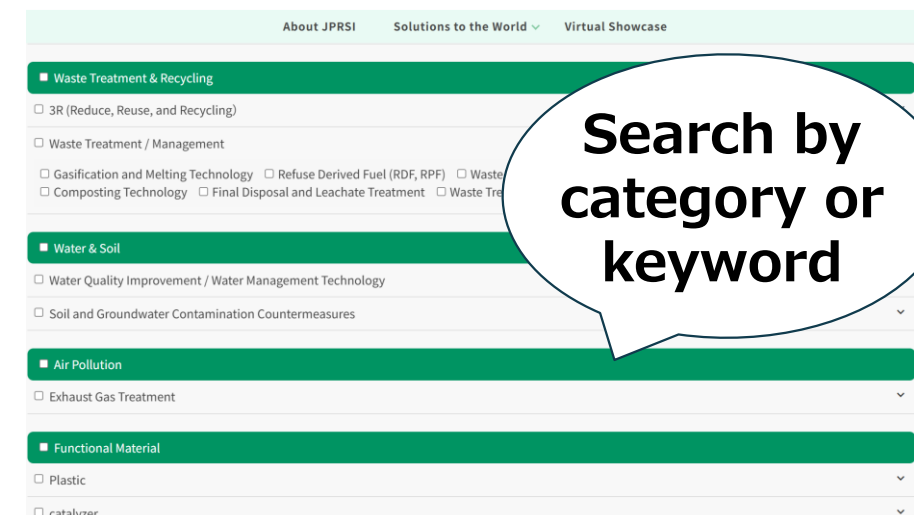

**through Website:**

## ***“Virtual Showcase”***

JPRSI’s distinguished members of 635 Japanese private companies & public sectors with advanced technologies are anxiously waiting for your contact JPRSI members directly through their respective Online Booth.

## ***“Environmental Solutions”***

JPRSI is proud to showcase 386 environmental infrastructure technologies, including waste-to-energy (WtE) plants, disaster prevention systems to support adaptation, etc. Please visit the JPRSI website to discover advanced technologies to suit your needs.

# Matching Support

## ***“Business Matching Seminars”***

To promote private-sector collaboration in the environmental field, JPRSI organizes **Business Matching Seminars** with partner countries.

***in Bangkok,  
Thailand***

***(July 2024)***

***Theme: Circular Economy /  
Climate Change and Co-benefits***

## ***“Individual Matching Support”***

In response to inquiries from other countries, the secretariat identifies interested companies and facilitates business matching meetings.

*If you have any inquiries,  
please contact us freely*
